 Party for
the Animals

The rise of the global
animal politics
movement

Current numbers

- Animal advocacy parties in **21** countries all over the world
 - **158** elected representatives in **7** countries
 - A handful parties in the making
 - Animal Politics Foundation connects all the parties
- 

What can explain the rise of political animal advocacy parties all over the world?

Ego

Eco

Political opportunity

the space within a country's political arena that is left to be occupied by new political ideas and values

Pacer in the marathon
